Preventative, Restorative & Cosmetic Dentistry

My name is Doron Keren. After 18 years of practicing dentistry on Central Park South in midtown Manhattan, last year I proudly purchased a successful practice in Port Washington from a retiring dentist- Dr. Bruce Jaslow. I am thrilled to be working in the town where I have so many roots. I grew up in town and attended Schreiber high school. I returned here over 12 years ago with my wife to raise our family. I have two boys ages 12 and 9 who attend Weber and Sousa respectively. I am experienced in all phases of general dentistry including implants, adult orthodontics, endodontics (root canal), and cosmetic dentistry. I am a graduate of Columbia University School of Dental and Oral Surgery. I successfully completed a general practice residency program at the Bronx VA Hospital, and have over 250 hours of continuing education credits. I am a member of the American Dental Association, New York State Dental Association, and New York County Dental Society. My practice is geared to preventative, restorative and cosmetic dentistry. The single most important factor in obtaining good oral health is continuing preventive care. My goal is to restore your teeth and gums to a healthy state, and then to show you the basic skills needed to maintain good oral health. I bring to Port Washington the knowledge and skills necessary to be a successful dentist from the most competitive part of the country, New York City. I encourage you to ask questions whenever you feel the need. The more informed you become the more appreciation you will have for quality dentistry, and the easier it will be for us to build a long lasting and mutually satisfying relationship. The goal of my practice is simply to help my patients retain their teeth all of their lives if possible...in maximum comfort, function, health, and esthetics, and to give them the smiles they've always wanted.

Dr. Ronny Bergman is the founder and director of Gold Coast Chiropractic, a family practice in Port Washington, New York. He graduated from Muhlenberg College in Allentown, PA with a Bachelor of Science degree in biology. He continued his studies and received his Doctor of Chiropractic degree from Life University in 2001. Previous to opening Gold Coast Chiropractic Dr. Bergman worked in a highly successful, wellness based practice teaching his patients the importance of proper spinal health. Dr. Bergman has been a chiropractic patient since he was 13 years old after he experienced severe allergies and hay fever. Seeing how his quality of life had changed and seeing the improvement in general, he was determined to become a chiropractor and help others realize what chiropractic could do for them. He is extremely passionate about taking care of children in his office, and providing them the same opportunity for health that he has enjoyed. He believes that with proper education regarding spinal care, exercise, nutrition, rest and stress management, people of all ages can achieve and maintain optimal health. He is an accomplished guitar player and enjoys spending his time helping musicians to prevent serious performance related injuries. Dr. Bergman is committed to helping people of all ages to reach their health goals and maximum potential through better living.

Supplemental Insurance
516-570-6020

With Aflac I work with businesses and individuals to find and implement what is needed for the benefit of workers and their families. I assist in choosing protection from life-altering experiences, as well as more basic occurrences to help people live longer, healthier lives. By using Aflac as your partner, you will know that you have the #1 supplemental insurance company in the world on your side. I try to make it easier for families to cope with these trying times. Financially and emotionally, we are being pushed to extremes, and I make it a little easier to deal with these circumstances. My goal is to reach out to anyone and everyone who can use my help. I remain available to assist people in need. Aflac has just earned Reputation Institute's Global Reputation Pulse 2009 Best Reputation in the U.S. Insurance Industry award for the second consecutive year. Aflac is also a company that can help you even if you already have insurance -- Aflac does not affect any coverage you may have. At Aflac, I deliver an assortment of helpful programs, many that fill in important gaps in the policies you may have now, so that you can plan for future events -- and get paid cash. These include: Disability, Cancer, Accident, Hospitalization, Dental, Vision, Sickness, and Life Insurance.

We've got you under our wing.

LICENSED REAL ESTATE SALESPERSON

Licensed Real Estate Salesperson
516-873-7100 x550

I am a NYS Licensed Salesperson and REALTOR® based in Port Washington, NY, and I work with buyers, sellers, and investors to help them meet their real estate goals. I am affiliated with Keller Williams of Greater Nassau, one of the largest and fastest growing agencies in the U.S. As a Certified Buyer Representative, I represent the buyer as a client in a real estate transaction. Many buyers are unaware that most agents represent the seller, and although agents must disclose that fact, it can often be forgotten as the buyer and agent form a bond during the home-buying process. When a buyer enters into an exclusive right-to-represent agreement with me, I represent their best interests, not the seller's. My responsibilities include following the buyer's instructions, being loyal, disclosing all material facts about the sellers and their property, keeping all buyer information confidential, assisting with all paperwork, and ensuring that buyers have all of the information that they need to make an informed decision. As a listing agent, I work to make the best use of the Internet to sell homes (the vast majority of home buyers begin their search on the Internet), in addition to personally handling all showings. I welcome your referrals. Please let me know if you or anyone you know is looking to buy, sell, or invest in real estate. Please visit my Port Washington Life blog for local community and real estate news.
