Supplemental Insurance
516-570-6020

With Aflac I work with businesses and individuals to find and implement what is needed for the benefit of workers and their families. I assist in choosing protection from life-altering experiences, as well as more basic occurrences to help people live longer, healthier lives. By using Aflac as your partner, you will know that you have the #1 supplemental insurance company in the world on your side. I try to make it easier for families to cope with these trying times. Financially and emotionally, we are being pushed to extremes, and I make it a little easier to deal with these circumstances. My goal is to reach out to anyone and everyone who can use my help. I remain available to assist people in need.Aflac has just earned Reputation Institute's Global Reputation Pulse 2009 Best Reputation in the U.S. Insurance Industry award for the second consecutive year. Aflac is also a company that can help you even if you already have insurance -- Aflac does not affect any coverage you may have. At Aflac, I deliver an assortment of helpful programs, many that fill in important gaps in the policies you may have now, so that you can plan for future events -- and get paid cash. These include: Disability, Cancer, Accident, Hospitalization, Dental, Vision, Sickness, and Life Insurance.

We've got you under our wing.
